

Past Program Topics:

Our club was organized to stimulate the love of gardening, encourage home and community beautification, promote better horticultural practices and encourage all forms of conservation. We have donated to scholarships.

Our meetings include a fine program and are also designed to encourage friendly conversations and to provide answers to our many questions.

All members receive a monthly news sheet called The Pollinator which brings you announcements and news of future programs plus any other special events which may be of benefit.

We cooperate with and offer help to our City Parks Department, the Extension Services of Iowa State University, the Indian Creek Nature Center and other worthwhile projects.

Club members volunteer help in the Noelridge Park Gardens, Cedar Rapids. In conjunction with a PETALS Grant, the club donated 2 benches

For funding, we have an annual plant sale and related gardening items. Also sell items at Bruce more Art & Garden Show. Plant markers are sold on a regular basis.

The GOOD EARTH GARDEN CLUB meets every SECOND FRIDAY of each month at the Dining Room @ Deer Ridge Meth-Wick Community Cedar Rapids, Iowa

7:30 p.m. to about 9:15 p.m.

Only exceptions are special programs which are announced in The Pollinator.

SPECIAL BENEFITS

Each member receives a copy of NEWS of the FEDERATED GARDEN CLUBS OF IOWA, our state magazine, published four times a year. Members are entitled to attend district meetings, the annual state conference and Central Region and National Conventions. Membership in a federated garden club is an opportunity...

- ◆ to improve your gardening skills
- ◆ to serve your community and meet new friends,
- ◆ to build a finer appreciation of beauty in nature,
- ◆ to develop a deeper sense of pride in the resources of our land and its preservation.

Where Else Can You...

- ◆ meet people with similar interests in garden club projects?
- ◆ exchange experiences in growing and showing plants?
- ◆ meet people who know less than you do so you have the chance to instruct?
- ◆ meet people who know more than you do so you have the opportunity to learn?
- ◆ attend special schools in horticulture, flower arranging and landscape design?
- ◆ have access to programs and bulletins written with you in mind?
- ◆ participate in learning experiences?
- ◆ plan and implement projects of value to you and to others?
- ◆ make new friends among some of the nicest people in the world?
- ◆ achieve a feeling of worth for work well done?
- ◆ help to beautify your town to make Iowa a "Place to Grow"?
